

**PROJECT COORDINATOR
CALCASA – Pasadena, CA Site
Campus Focus**

PURPOSE OF POSITION

Under the direction of the Project Manager, the Project Coordinator (PC) performs the day-to-day operation of CALCASA's Training and Technical Support services (TTA). The Project Coordinator is responsible for the overall contact and support of members, (e.g. local rape crisis centers), allied professionals, and CALCASA's national constituents in their utilization of TTA. The Project Coordinator must excel at technological support using CALCASA's web site, email groups, teleconference, web conference, database, e-mail and other systems in order to implement the technical assistance service to member and constituency groups. This position involves working on sexual assault intervention and services in various settings and in connection with many systems. CALCASA serves audiences that include groups that work with individuals with intellectual and developmental disabilities (IDD), colleges/universities, sport, labor/unions, law enforcement and military, at the statewide and national level.

This position will focus primarily on support to colleges and universities to develop, implement and evaluate systems to address and prevent sexual violence. This position requires project management skills, excellent interpersonal skills and extensive travel providing on-site technical assistance to CALCASA's constituents. This is a full-time, exempt position based in CALCASA's Pasadena office.

ESSENTIAL DUTIES

Training and Technical Assistance:

Project Coordinator must work independently to identify training needs, and develop plan for implementation of services based on needs assessments, and/or emerging best practices. Additionally, the PC will design, research and implement trainings, web conferences and conferences under the guidance of CALCASA's management team. PC will conduct independent research to provide training and technical assistance to centers, constituents, and individuals. PC will work closely with CALCASA staff to respond to technical assistance needs. Identify appropriate materials and deliver information requested by organizations and individuals. Further, the PC will conduct follow-up assessments of TA to measure effectiveness; and attend and assist with the implementation of trainings and conferences. PC will contact or conduct visits in order to evaluate needs of CALCASA's constituents as needed.

Key activities:

- provide technical assistance to rape crisis centers, coalition affiliates, and other key constituents.
- conduct assessment of training needs for TTA participants statewide and nationally
- participate in the development of training inclusive of content, format and delivery
- coordinate, design and implement trainings for RCCs and other entities as appropriate
- conduct on-site training & technical assistance to institutional representatives, rape crisis centers, funders and other entities
- identify resources and materials
- archive and document key learnings
- develop training materials and tools
- facilitate effective working relationships
- engage in regular communication with RCCs and institutions as appropriate
- represent CALCASA at meetings, conferences and events.

Additional Duties: Works closely with the Project Manager(s) in the strategic development of programs. Contributes to the professional tone and approach of the project and the organization within the perimeters of the agency mission and philosophy. Other duties as assigned.
